NOTICE OF SPECIAL AND CITIZEN  
(AVISO DE ELECCIÓN ESPECIALEY ELECC)

ELECTION DAY SATURDAY  
(DÍA de ELECCIÓN SABADO 1)

EARLY VOTING MONDAY, APRIL 19, 2021  
(VOTACIÓN ANTICIPADA LUNES, 19 DE ABRIL DE 2021)  
CITY OF AUSTIN (CIUDAD DE AUSTIN)

To the registered voters of the City of Austin: Notice is hereby given that the polling places listed below will be open from 7:00 a.m. – 7:00 p.m. on Saturday, May 1, 2021, for voting in the City of Austin (COA) Municipal Special Election. Early voting by personal appearance will be conducted from Monday, April 19, 2021 through Tuesday, April 27, 2021. (Para los votantes registrados de la Ciudad de Austin: Por la presente se notifica que los lugares de votación que se enumeran a continuación estarán abiertos desde las 7:00 a.m. - 7:00 p.m. el sábado 1 de mayo de 2021 para votar en la Ciudad de Austin (COA) Municipal Elección Especial. La votación anticipada en persona se llevará a cabo desde el lunes 19 de abril de 2021 hasta el martes 27 de abril de 2021.)

Proposition A: Shall the City Charter be amended to give the Austin Firefighters Association, Local 975 of the International Association of Fire Fighters, the authority to require the City to participate in binding arbitration on all issues in dispute with the Association if the City and the Association reach impasse in collective bargaining negotiations? Fiscal Impact: Given the current low interest rate environment, a ratings downgrade is estimated to result in a 3 to 5 basis point increase in future borrowing costs which equates to \$315,000 to \$525,000 in additional interest payments per \$100 million general obligation debt issuance.

Proposition B: Shall an ordinance be adopted that would create a criminal offense and a penalty for sitting or lying down on a public sidewalk or sleeping outdoors in and near the Downtown area and the area around the University of Texas campus; create a criminal offense and penalty for solicitation, defined as requesting money or another thing of value, at specific hours and locations or for solicitation in a public area that is deemed aggressive in manner; create a criminal offense and penalty for camping in any public area not designated by the Parks and Recreation Department? Fiscal Impact: No anticipated fiscal impact.

Proposition C: Shall the city charter be amended to allow for a Director of Police Oversight to be appointed or removed in a manner established by City Council ordinance, with duties that include the responsibility to ensure transparency and accountability as it relates to policing? Fiscal Impact: No anticipated fiscal impact.

Proposition D: Shall the City Charter be amended to transition the election for mayor from gubernatorial election years to presidential election years, providing that the mayor elected in 2022 will serve a 2-year term and then mayoral elections will occur on the same date as presidential elections starting in 2024? Fiscal Impact: No anticipated fiscal impact.

Proposition E: Shall the City Charter be amended to provide for the use of ranked choice voting in city elections, if such voting is permitted by state law? Fiscal Impact: It is difficult to provide an adequate estimate on the fiscal impact of ranked choice voting as ranked choice voting is not currently used as a voting system in Texas. Anticipated fiscal increase due to additional staff, equipment, and programming costs may be offset by cost savings due to not holding a runoff election.

Proposition F: Shall the City Charter be amended to change the form of city government from "council-manager" to "strong mayor-council," which will eliminate the position of professional city manager and designate an elected mayor as the chief administrative and executive officer of the city with veto power over all legislation which includes the budget, and with sole authority to hire and fire most department heads and direct staff, and with no articulated or stated charter authority to require the mayor to implement Council decisions. Fiscal Impact: It is likely that this action will not have a fiscal impact, or the impact will be negligible. In other strong mayor-council jurisdictions, the City Manager position is replaced with a City Administrator.

Proposition G: Shall the City Charter be amended to provide for an additional geographic council district which will result in 11 council members elected from single member districts? Fiscal Impact: The operating cost for an additional Council office would be \$516,103; one-time capital expenditures of approximately \$125,000 to accommodate an additional suite of offices, and annual rent for the displaced City Hall occupant would be approximately \$80,000.

Proposition H: Shall the City Charter be amended to adopt a public campaign finance program, which requires the city clerk to provide up to two \$25 vouchers to every registered voter who may contribute them to candidates for city office who meet the program requirements? Fiscal Impact: The annual cost is estimated at \$2.3 million, and an additional one-time cost of \$750,000 for the development and implementation of the online voucher system and portal.

For more information on the fiscal impact relating to all Charter amendments please visit: <http://austinxmas.gov/page/election-2021>

If Proposition A is approved by the majority of voters voting at the election, Article IX (Personnel) of the City Charter is amended to add Section 7, to read as follows:

**ARTICLE IX. - PERSONNEL.**

**§ 7. – COLLECTIVE BARGAINING IMPASSE.**

If the City and the Austin Firefighters Association, Local 975 of the International Association of Fire Fighters, have reached an impasse regarding the negotiation of a collective bargaining agreement, pursuant to Texas Local Government Code § 174.162:

(A) Either the City or the Association, after written notice to the other party containing specifications of the issues in dispute, may request arbitration and, in such event, the City and the Association shall submit all issues in dispute to arbitration within 45 days of receipt of the requesting party's written arbitration request. The arbitration ruling shall be final, binding, and enforceable against both parties.

(B) Both parties shall select one arbitrator within 5 days of the original written request to arbitrate and provide written notification to the other party of the name and contact information for the selected arbitrator. The selected arbitrators shall attempt to select a third (neutral) arbitrator within 15 days of their selection in order to form a three-person Arbitrator Board. If the arbitrators are unable to agree on a third arbitrator, the parties shall request a nationwide list of 9 qualified neutral arbitrators from the American Arbitration Association. The parties or their designees may agree on one of the 9 neutral arbitrators on the list. If they do not agree within 5 days after the date they receive the list, each party or the party's designee shall alternately striking a name from the list, and the name remaining is the third arbitrator. The third arbitrator shall preside over the Board. Any decisions made by the Board at any stage of the arbitration process will be determined by simple majority vote of the selected arbitrators.

(C) Arbitration shall be conducted by the City and the Association pursuant to the procedures, timelines, duties, requirements, and rights as set forth in Texas Local Government Code §§ 174.155, 174.157–174.162, 174.184, and 174.253, or any successor to these statutory provisions.

(D) In making its decision, the Board may consider only the following:

- (1) the history of collective bargaining agreements and negotiations between the parties;
- (2) compensation and conditions of employment that prevail in comparable public sector employment in other cities;
- (3) the rate of increase or decrease in the cost of living for the Austin area as determined by the Consumer Price Index (CPI-W), adjusted as necessary to account for housing and tax costs in the Austin area and other relevant local factors;
- (4) any of the following conditions:
  - (a) hazards of employment,
  - (b) physical qualifications,
  - (c) educational qualifications,
  - (d) mental qualifications,
  - (e) job training,
  - (f) skill,
  - (g) employee morale, and
  - (h) any other factors the Board determines to be relevant to the issues raised by the parties; and
- (5) revenues available to and contractual obligations of the City and the impact of any arbitration ruling on the taxpayers of the City.

If Proposition B is approved by a majority of voters voting at the election, the City Code is amended as indicated below, with the Purpose appearing before Section 9-4-11 of the City Code, and the Effectiveness and Severability appearing after Section 9-4-14 of the City Code:

**Part 1. Purpose**

On June 20, 2019, the Austin City Council amended provisions of the Austin City Code relating to camping and solicitation in public areas of Austin and to sitting or lying down on public sidewalks or sleeping outdoors in certain downtown areas of the city. These provisions had long been effective in maintaining safety and order throughout the city. Since and as a result of the adoption of the amended provisions, and the adoption of further amendments by the City Council, Austin has been plagued by threats to public health and safety, as camping and sleeping outdoors, sitting or lying down on public sidewalks, and solicitation during the evening and nighttime hours have expanded dramatically, notwithstanding the fact that Austin has shelters and other facilities that do not reach maximum capacity and that are available to individuals as an alternative to such

(3) The City of Austin Auditor shall remove from the commissioner or independent auditor applicant pool any person with conflicts of interest including:

(a) Within the two years immediately preceding the date of application, either the applicant or their spouse, shall have done any of the following:

(i) been appointed to, elected to, or have been a candidate for state or city office.

(ii) served as an officer, employee, or paid consultant of a political party or of the campaign committee of a candidate for elective state, county or city office.

(iii) been a registered state or local lobbyist.

(b) A person who has been, within the three years immediately preceding the date of application: a paid employee of the City of Austin; person performing paid services under a professional or political contract to the City of Austin, to the city council, (or) to any member of the city council, or to the mayor; any controlling person of any such consultant; or a spouse of any of the foregoing.

(4) No later than February 15, 2013, and no later than October 1 in each year ending in the number zero, the City Auditor shall review the auditor review panel applicants and remove those who do not meet the prescribed qualifications in subdivision 3(A)(5) or have conflicts of interest as defined by subdivision 3(D)(1). No later than February 15, 2013, and no later than October 1 in each year ending in the number zero, the City Auditor shall at a public meeting randomly draw the names of these qualified independent auditors from a pool consisting of all qualified independent auditors, without conflicts of interest, that have applied to serve on the Applicant Review Panel. After the drawing, the City Auditor shall notify the three qualified independent auditors whose names have been drawn that they have been selected to serve on the panel. If any of the three qualified independent auditors declines to serve on the panel or is disqualified because of any conflict of interest prescribed above in subdivision 3(D)(2), the City Auditor shall resume the random drawing at a public meeting as soon as possible until three qualified independent auditors who meet the requirements of this section have agreed to serve on the panel.

(5) No later than March 1, 2013, and thereafter no later than October 31 in each year ending in the number zero, the City Auditor shall have reviewed and removed individuals with conflicts of interest as defined in subdivision 3(D)(3), or who fail to meet the qualification prescribed in subdivision 3(D)(1), from among the commission applicants, and then shall publicize the names in the applicant pool and provide copies of their applications to the Applicant Review Panel.

(6) No later than May 1, 2013, and thereafter by January 15 in each year ending in the number one, the Applicant Review Panel shall select a pool of 60 applicants from among the qualified applicants. These persons shall be the most qualified applicants on the basis of relevant analytical skills, ability to be impartial, residency in various parts of the city, and appreciation for the City of Austin's diverse demographics and geography. The members of the Applicant Review Panel shall not communicate directly or indirectly with any elected member of the city council, or their representatives, about any matter related to the nomination process or any applicant prior to the presentation by the panel of the pool of recommended applicants to the city council.

(7) No later than May 2, 2013, and thereafter by January 16 in each year ending in the number one thereafter, the Applicant Review Panel shall submit its pool of 60 recommended applicants to the city council. Each member of the city council within five days in writing may strike up to one applicant from the pool of applicants. No reason need be given for a strike. Any applicant struck by any member of the city council must be removed from the pool of applicants. No later than May 8, 2013, and thereafter by January 22 in each year ending in one, the Applicant Review Panel shall submit the pool of remaining applicants to the City Auditor.

(8) No later than May 9, 2013 and thereafter by January 23 in each year ending in the number one, the City Auditor shall randomly draw at a public meeting eight names from the remaining pool of applicants. These eight individuals shall serve on the commission.

(9) No later than June 30, 2013, and thereafter by February 28 in each year ending in the number one, the eight commissioners shall review the remaining names in the pool of applicants and, from the remaining applicants in that pool, shall appoint six applicants to the commission. These six appointees must be approved by at least five affirmative votes among the eight commissioners. These six appointees shall be chosen to ensure that the commission reflects the diversity of the City of Austin, including, but not limited to, racial, ethnic, and gender diversity. However, it is not intended that formulas or specific ratios be applied for this purpose. Applicants shall also be chosen based on relevant analytical skills and ability to be impartial. As for geographic diversity, for the first redistricting in 2013, the eight commissioners shall appoint the remaining six members to ensure geographic diversity and that at least three commissioners come from each of the four existing Travis County Commissioners precincts, to the extent feasible with the remaining six open seats. As for the redistricting in each year ending in the number one thereafter, the eight commissioners shall ensure that at least one commission member resides in each of the then current council districts, to the extent feasible with the remaining six open seats.

(10) Once constituted, the commission shall conduct hearings and adopt a plan for the boundaries of the city's council districts as required by the Charter of the City of Austin.

### (i) Citizens Redistricting Commission Vacancy, Removal, Resignation, or Absence.

(1) In the event of substantial neglect of duty, gross misconduct in office, or inability to discharge the duties of office, a member of the commission, having been served written notice and provided with an opportunity for a response, may be removed by a vote of 10 of the commissioners.

(2) Any vacancy, whether created by removal, resignation, or absence, in the 14 commission positions shall be filled by the commission within 15 days after the vacancy occurs, from the remaining pool of applicants and in compliance with the applicant requirements of subdivision 3(B)(8). Nine members must agree to any appointment.

### (k) The activities of the commission are subject to all of the following:

(1) the commission shall comply with all state and city requirements for open meetings.

(2) the records of the commission and all data considered by the commission are public records that will be made available in a manner that ensures immediate and widespread public access.

(3) commission members and commission staff may not communicate with or receive communications about redistricting matters from anyone outside of a public hearing. This paragraph does not prohibit communication between commission members, commission staff (which shall exclude staff of any council members or of the Mayor), legal counsel, and consultants retained by the commission that is otherwise permitted by state and city open meeting requirements.

(4) the commission shall select one of its members to serve as the chair and one to serve as vice chair. The chair and vice chair shall remain voting members of the commission.

(5) the commission shall hire commission staff, legal counsel, and consultants as needed; provided, however, that compensation of such persons shall be limited to the period in which the commission is active. The commission shall establish clear criteria for the hiring and removal of these individuals, communication protocols, and a code of conduct. The commission shall apply the conflicts of interest listed in subdivision 3(B)(3) to the hiring of staff, legal counsel, and consultants. The commission shall require that at least one of the legal counsel hired by the commission has demonstrated extensive experience and expertise in implementation and enforcement of the Federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 and following). The commission shall make hiring, removal, or contracting decisions on staff, legal counsel, and consultants by nine or more affirmative votes.

(6) notwithstanding any other provision of law, no employer shall discharge, threaten to discharge, intimidate, coerce, or retaliate against any employee by reason of such employee's membership on the commission or attendance or scheduled attendance at any meeting of the commission.

(7) the commission shall establish and implement an open hearing process for public input and deliberation that shall be subject to public notice and promoted through an extensive outreach program to solicit broad public participation in the redistricting public review process. The hearing process shall begin with hearings to receive public input before the commission votes and approves a preliminary redistricting plan. In 2013, there shall be at least two such public hearings, before the commission votes on a preliminary plan, in each of the four Travis County Commissioner precincts, and in each year ending in the number one thereafter, there shall be at least one such public hearing, before the commission votes on a preliminary redistricting plan in each of the then existing 10 council districts. In addition, these hearings shall be supplemented with all other appropriate activities to further increase opportunities for the public to observe and participate in the review process. Following the commission's

actions. The purpose of this ordinance is to restore generally the provisions of the Austin City Code that were in effect on June 19, 2019 prior to the City Council's action, expand the area in which solicitation is prohibited during the evening and nighttime hours, and modify the boundaries of the geographic area to which the ordinance applies to encompass the area that contains the campus of The University of Texas at Austin and areas where many students at the university and through which they must move to travel to and from the campus. This will return to the effective system of management and control of the city which these provisions promoted and secured.

**§ 9-4-13 SOLICITATION**

- (2) Aggressive solicitation includes approaching or following pedestrians, repetitive soliciting despite refusals, the use of abusive or profane language to cause fear and intimidation, unwanted physical contact, or the intentional blocking of pedestrian and vehicular traffic;
- (3) The presence of individuals who solicit money from persons at or near banks, automated teller machines, public transportation facilities, and crosswalks is especially troublesome because of the enhanced fear of crime in a place that is confined, difficult to avoid, or where a person might find it necessary to wait;
- (4) This section is intended to protect citizens from the fear and intimidation accompanying certain kinds of solicitation, and not to limit a constitutionally protected activity.

- (B) In this section:

(1) AGGRESSIVE MANNER means:

- a. intentionally or recklessly making any physical contact with or touching another person in the course of the solicitation without the person's consent;
- b. following the person being solicited, if that conduct is:
  - i. intended to or likely to cause a reasonable person to fear imminent bodily harm or the commission of a criminal act upon property in the person's possession; or
  - ii. intended to or reasonably likely to intimidate the person being solicited into responding affirmatively to the solicitation;
- c. continuing to solicit a person within five feet of the person being solicited after the person has made a negative response;
- d. intentionally or recklessly blocking the safe or free passage of the person being solicited, or requiring the person, or the driver of a vehicle, to take evasive action to avoid physical contact with the person making the solicitation;
- e. using obscene or abusive language or gestures toward the person being solicited;
- f. approaching the person being solicited in a manner that:

#### **§ 5. - BALLOTS.**

For every regular election and for every special election called to fill one or more vacant [places-on-the-council] offices, the city clerk shall place upon the official ballot the name of every candidate who shall file an application which complies with the provisions of this Charter. The council places to be filled shall be placed on the ballot in numerical order. The name of each candidate shall be placed on the ballot under the designated [place] office for which he or she shall have filed, and in such manner that the names of the candidates for each [place] office shall be clearly separate and distinguishable from the names of the candidates for every other [council] place[office]. The order on the ballot of the names of the candidates for each respective [council] place[office] shall be determined by lot in a drawing to be held under the supervision of the city clerk, at which drawing each candidate or his or her named representative shall have a right to be present.

#### **ARTICLE IV-INITIATIVE, REFERENDUM, AND RECALL. § 6.-POWER OF RECALL.**

In this section, "officeholder" means the mayor or a council member. The people of the city reserve the power to recall any [member-of-the-council] officeholder and may exercise such power by filing with the city clerk a petition, signed by qualified voters of the territory from which the [council-member] officeholder is elected, equal in number to at least 10 percent of the qualified voters of the territory from which the [council-member] officeholder is elected, demanding the removal of [a council member] the officeholder. The petition shall be signed and verified in the manner required for an initiative petition, shall contain a general statement of the grounds for which the removal is sought, and one of the signers of each petition paper shall make an affidavit that the statements therein made are true.

#### **§ 7.-RECALL ELECTION.**

Within 20 days after a recall petition is filed, the city clerk shall examine the same. The provisions regulating examination, certification, and amendment of initiative petitions shall apply to recall petitions. If the petition is certified by the city clerk to be sufficient and the mayor or council member whose removal is sought does not resign within five days after the certification to the council, the council shall order and hold a recall election in the territory from which the mayor or council member is elected on the first authorized election date that allows sufficient time to comply with other requirements of law.
